Date: 27<sup>th</sup> January, 2025  
Time of Issue: 1115 hours IST**

**Subject: Cessation of Northeast Monsoon rains over South Peninsular India today, the 27<sup>th</sup> January 2025:**

Cessation of Northeast Monsoon rains over South Peninsular India today, the 27<sup>th</sup> January 2025:

- ✓ No significant rainfall activity over southeast peninsula during past 2 days.
- ✓ In the lower levels, dry winds from northern India are prevailing over the region.

Considering the above points, the Northeast Monsoon rains have ceased over Kerala-Mahe, South Interior Karnataka, Tamil Nadu-Puducherry-Karaikal, Rayalaseema and adjoining areas of Coastal Andhra Pradesh & Yanam from today, the 27<sup>th</sup> January, 2025.
