D.O. No. DGM Sectt./01/2020

Dear Friends and Colleagues,

I congratulate and compliment all Meteorological, Hydrological and allied fraternities on the occasion of World Meteorological Day on 23rd March, 2020.

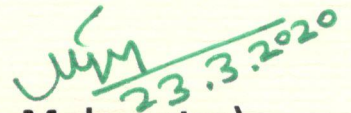

I wish you all good health and hope that meteorological community would continue to provide essential support in maintaining core activities of the Society in view of the threat due to COVID-19.

I hereby place on record my deep appreciations for the IMD colleagues who are providing essential Meteorological Observations, Communication, Modelling, Forecasting and Warning Services to the Government, Various Stakeholders, press & electronic media and general public in the prevailing scenario due to COVID-19.

I hope all of us will rise to the occasion and ensure uninterrupted weather and climate services to the country and the region in this hour of need.

With regards,

Yours sincerely,

(M. Mohapatra)
