

Celebration of 150th Foundation Day of India Meteorological Department

India Meteorological Department (IMD), the national nodal agency for matters pertaining to meteorology is one of the pioneering scientific institutions in the country. IMD will complete 150 years of weather & climate service to the nation on 15th January 2025. This also coincides with 80 years of regional meteorological services at the Regional Meteorological Centre, Chennai.

As a mark of commemoration of this achievement, Regional Meteorological Centre, Chennai will conduct Open House and Meteorological Exhibition on 14th & 15th January 2025 during 10:00 a.m to 05:00 p.m for the benefit of students and the public.
